Complaint

Chen, Victor,
Plaintiff.

against

Mount Sinai Beth Israel, 281 First Ave., New York, NY 10003
New York State, Empire State Plaza, Albany, NY
The USA, at federal buildings in New York
Harvard, Yale, and Oxford Universities
Queen Elizabeth II, of the U.K.

I am Victor Chen (Victor C. Chen, Victor Chih-Chia Chen), of 290 Riverside Drive, Apt. 14C, New York, NY 10025. I accuse the defendants of:

- libel, alleging privately that am an imported (Asian, or Chinese) all-but-invisible “virus” causing flu, AIDS, and covid-19.
- assault and abuse—actions ranging from giving me itches, to losing my balance, to thinking certain thoughts, to sexual functioning, to interfering with bowel movements. These actions include the staging of events around me.
- slavery: taking my thoughts and my original works, preventing me from traveling freely, using my works as “vaccines” against the artificial diseases, preventing me from telephoning and mailing freely and privately.
- the libelous contention that my works exposing the defendants’ wrongs are themselves wrongs.

I seek:

- release from confinement at Mt. Sinai Beth Israel.
- removal of everything foreign put in my body and brain.
- return of my property seized before and since Nov. 30. 2021.
- fair compensation for my original and useful work.
- compensation for what has been done to me and my family.
